Bike Maintenance with RJ Manoni, Fort Mill Bike Repair

Do you have a bike sitting in the garage that you keep saying, “one day I’ll get it fixed and ride it again”? In this class, you’ll learn how to diagnose your bike’s needs to get it ready for those long days of biking you have ahead of you. We’ll take time to learn how to fix a flat on the side of the road or trail, and go over general maintenance for wheel and tires, drive train, and brakes. If you are tired of having to take your bike into the shop every time you get a flat, this is the class for you. And as part of the class fee, each learner will go home with a bike flat kit. (Value $9) Sign up on website!

**Hymn** # 721  "Lord, You Have Come to the Lakeshore"** Affirmation**

We trust in Jesus Christ, fully human, fully God. We trust in God, whom Jesus called Abba, Father. In sovereign love, God created the world good and makes everyone equally in God's image, male and female, of every race and people, to live in one community. We trust in God the Holy Spirit, everywhere the giver and renewer of life. With believers in every time and place, we rejoice that nothing in life or in death can separate us from the love of God in Christ Jesus our Lord.
