About the Overnight Trip

I'm excited to offer the first overnight trip during Middle School Mission Madness! We will be traveling to Sumter, SC and serve at United Ministries (<https://sumterunitedministries.org/>). It was formed by the Sumter Ministerial Association to help local churches deal with crisis assistance. It now helps with crisis relief, home repair, a homeless shelter, and medical services. We will be assigned age appropriate tasks during the afternoon, which happens to be during a restore week. We will learn about what they do and assist with various tasks that could include organizing care packages to be given to families in times of need, organizing their warehouse, and taking popsicles to those working on houses. Our tasks will be finalized closer to our trip as they determine the current needs.

We'll stay in the Williams Brice Center at Trinity UMC (<https://trinityumcsumter.org/>). Boys and girls will sleep in separate rooms. Everyone should bring the following: Work clothes, socks, tennis shoes, change of clothes for Wednesday night, and possibly Thursday morning, sleepwear, towel, wash cloth, soap, shampoo, tooth brush, toothpaste, other toiletries as needed, any necessary medication, air mattress, sleeping bag, and pillow.
